Sir:

I, W. Leo Hoarty, am an inventor in this application.

I declare that there is an infringing method and/or system in use.

I declare that I have made a rigid comparison of the infringing method and/or system with the claims pending in the above-identified application and in my opinion, at least some of the claims are unquestionably infringed.

I declare that I have a good knowledge of the pertinent prior art.

I declare that to the best of my knowledge, the Information Disclosure Statement submitted concurrently herewith provides the most closely related prior art to the subject matter encompassed by the claims and that copies of these references have been made of record in this application.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that the making of willfully false statements and the like is punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of any patent issuing from this patent application.
